

RATE TABLE

<i>Tariff</i>	<i>Description (Full)</i>	<i>Rate December 1, 2022</i>
COVID-19 Immunization		
8221	Pfizer (Comirnaty) Bivalent BA4/5	\$20.00

- Notes:
- 1) *May be claimed for services provided to patients aged 5-11 years.*
 - 2) *Claims to be submitted to Manitoba Health within two (2) business days of service delivery.*
 - 3) *Physicians must report vaccine inventory to Public Health on a weekly basis and/or as directed by Public Health. The system for inventory reporting will be determined by Public Health and communicated to physicians.*
 - 4) *Determination of patient eligibility, intervals since last dose, and obtaining patient consent are included within the fee.*
 - 5) *Physicians shall provide equitable access for vaccinations for all eligible Manitobans regardless of whether the patient is in the physician's existing panel of patients.*
 - 6) *Manitoba Health has determined that this service, when provided during an after-hours period, is not urgent or emergent and therefore After Hours Premiums may not be claimed in addition.*
 - 7) *Physicians must review a patient's electronic COVID-19 immunization history through eChart or PHIMS to review any previous immunization history, interval between doses and product history to ensure all doses administered matches current provincial recommendations.*
 - 8) *Physicians must ensure vaccine products are stored and handled as per the product monographs.*

**Effective December 1, 2022, the Minister of Health has authorized the above time-limited tariff to be paid during the COVID-19 pandemic response in Manitoba (the duration of the tariff herein to be determined by Manitoba).*
