

## RATE TABLE

Tariff <sup>^</sup>	Description (Full)	Rate April 1, 2023
	<b>COVID-19 Immunization</b>	
8227	Moderna (Spikevax) Bivalent BA4/5	\$20.00

- Notes:
- 1) Claims to be submitted to Manitoba Health within two (2) business days of service delivery.
  - 2) Physicians must report vaccine inventory to Public Health on a weekly basis and/or as directed by Public Health. The system for inventory reporting will be determined by Public Health and communicated to physicians.
  - 3) Determination of patient eligibility, intervals since last dose, and obtaining patient consent are included within the fee.
  - 4) Physicians shall provide equitable access for vaccinations for all eligible Manitobans regardless of whether the patient is in the physician's existing panel of patients.
  - 5) Manitoba Health has determined that this service, when provided during an after-hours period, is not urgent or emergent and therefore After Hours Premiums may not be claimed in addition.
  - 6) Physicians must review a patient's electronic COVID-19 immunization history through eChart or PHIMS to review any previous immunization history, interval between doses, if required, and product history to ensure second doses match current provincial recommendations.
  - 7) Physicians must ensure vaccine products are stored and handled as per the product monographs.

---

\*The parties agree that, as noted above, effective April 1, 2023, the Minister of Health has authorized the above time-limited tariff to be paid during the COVID-19 pandemic response in Manitoba (the duration of the tariff herein to be determined by Manitoba).
